### **STIP AMENDMENT 98S-82-ACTION**

#### **ACTION UPDATE FROM NOTICE**

This item was noticed at the December 1999 Commission meeting; the Commission requested the Action Item be placed on the consent calendar as originally proposed.

#### **SUMMARY**

This amendment programs \$3,969,000 from Butte County's Unprogrammed Share Balance for five projects: \$937,000 for two new local pavement rehabilitation projects, \$1,777,000 for two new reconstruction projects, and \$1,255,000 of State-only funds as match for \$5,040,000 of Federal Highway Bridge Replacement and Rehabilitation (HBRR) funds allotted for a \$6,300,000 local bridge replacement project.

#### **RECOMMENDATION**

The Department reviewed this amendment and found it to be consistent with the Commission adopted STIP Guidelines. The Butte County Association of Governments (BCAG) is requesting this amendment.

#### **RESOLUTION**

Resolved, that the California Transportation Commission (CTC) revise the 1998 State Transportation Improvement Program (STIP)  
as shown on Attachments A & B.

#### **BACKGROUND**

This amendment programs \$3,969,000 in Regional Improvement Program (RIP) funding from Butte County's Unprogrammed County Share Balance for two new rehabilitate roadway projects, two new roadway reconstruction projects and as match for a new HBRR project in Butte County, with a total cost for all five projects of \$9,100,000.

Attachment A shows the RIP funding for new local rehabilitation projects; Attachment B shows the RIP funding for the roadway rehabilitation projects and the matching funds for the HBRR projects; and Attachment C identifies other local (non-STIP) funding commitments. The two local rehabilitation projects in Attachment A and the HBRR match project in Attachment B qualify for State-only funds under the Department's December 2, 1998 Project Funding Policy memo, and are identified with an asterisk (\*) on Attachments A & B.
